Increase of pay to the Cook attached to the Chattram at Holalkere, Chitaldroog Dist.

Muzrai Secretariat. File No. of 190

Note Continued —

With respect to the Chattram at Holalkere, the Deputy Comr reported that the Eatables maintained was quite sufficient to revive feeding and that those who object to be served with cooked food might be given raw rations the action was approved by Govt in Pro: No 2190-1D) 7-11-1907

The Deputy Comr now reports that the feeding in the Chattram has been stopped owing to the resignation given by the Cook for the insufficient pay of Rs 5/- per mensem, that the Cooks generally get Rs 8/- per mensem in private houses and that the 3 hands since entertained have also given up service during the last 6 months.

As the Chattram is situated near the Railway Station and as many people resort thereto, the Dy Comr recommends

that the pay of the cook may be raised to Rs. 8/- per mensem. As the funds of the Chattram do not admit this expenditure, he proposes that an additional cash allowance of Rs. 3/- per mensem may be sanctioned to meet this extra charge from the State Grant.

May the D/Commr. be informed that the State Grant is intended for the repairs of the State Muzrai buildings & that it is not possible to give any portion of it for the purpose in question. He may be requested to point out any other source from the Chattram Funds to meet the extra cost recommended

Note Continued.

In reply to the above, the Deputy Comr reports that the extra cost of Rs 3/- per mensem being the increase of pay recommended to the Cook may be met from the provision made for feeding charges of the Holalkere Chatram, viz Rs 13-6-0 per month. If this sum of Rs 3/- is deducted, there will be a balance of Rs 10-6-0. The Dy Comr states that the travellers may be fed till the amount of Rs. 10-6-0 is expended. As the services of the Cook will be frequently required in the Chatram as it is situated near the Railway Station, the pay of the Cook is again recommended to be raised.

Sir,

I have the honor to state that, when feeding in the Annachatram at Holalkere Railway Station was revived it was considered that the establishment maintained at present in the Chatram was sufficient for serving cooked food, and this was approved of by Government in their order No. 2190-1 dated 7th November 1907. The Cook who was in service tendered his resignation, and it is reported that the Sheristadar once entertained have also given up service during the last 6 months on account of the insufficient pay of Rs 5/ per mensem, as cooks generally get in

private

private houses not less than Rs 5/- The feeding has been stopped on this account.

2. Under these circumstances, I beg to recommend that, as this Chatram is situated at the Hotakhee Railway Station where people break their journey to go to Chitaldrug being the Head Quarters of the District, the pay of the cook here to be raised from Rs 5 to Rs 8/- So that the services of a Competent man may be secured.

3. As the funds of the Chatram (the present scale of expenditure is noted in the margin) do not admit of any more expenditure on this account, I request that an additional cash allowance of Rs 3/- p/m hereon may be sanctioned to meet this extra charge from the State grant.

4 The Vernacular correspondence ending with Yadi No 2066 dated 22nd February 1908, from the Assistant Commissioner Davangere Sub. Division is herewith submitted for reference.

Sir,

With reference to your docket No. 4487 dated 15th April 1908 requesting me to point out any other source to meet the extra cost of Rs 3/- proposed to be given to the cook of the Chattram at Holalkere Railway Station as an additional remuneration, I have the honor to state that there are no other funds in this District from which the additional cost may be met

2. The existing scale provides Rs 13-6-0 for feeding Charges. As the feeding will have to be stopped very often for want of Cooks, who absent themselves without permission due to better remunerative service elsewhere, I consider it better to raise the pay of the Cook to Rs 8/- meeting the extra Cost of Rs 3/- from the provision made

for feeding charges, and to feed the travellers till the amount of Rs 10 6 0 is expended.

3. As Holalkere Railway Station is as it were, an entrance to the Chitaldrug town, which is frequented by a large number of travellers, the services of the Cook in this Chattram will be required throughout the month, although feeding will have to be stopped as soon as the monthly grant is used up.

4. The enclosures are herewith resubmitted.

The feeding charges in the Holalkere Chattram will be limited to Rs 10-6-0 as already proposed by me in my letter No. 21 dated 23rd September 1908.
